

## PLAN YEAR'S HIKE FOR BUGLE CORPS

Boys to Hold Meeting This Evening at Their Council Lodge in Sears to Make Arrangements.

DESTINATION IS YET UNDECIDED

Unique Caravan, Including More Than Seventy Boys, to Move From City During Summer.

The Sunday schools five, drum and bugle corps will hold a meeting tonight at the council lodge site, in Sears. It will be something of the nature of a hike. Supper will be cooked, and after dark there will be stunts by each of the four divisions of the band, songs, recitation views of past hikes and hand music. It will be decided at this meeting where the band will go this summer for its annual "big hike." Several routes are under consideration. Three years ago the boys drove to Starved Rock; two years ago the Tama, Iowa Indians were visited, and last year their outing took them to Dubuque and the lead mines of northern Illinois and southern Wisconsin, a distance of 200 miles for the round trip, traveling in wagons and afoot, camping out over night; the boys having cooks appointed from their own ranks, and doing all the work connected with the expedition including care of the horses.

Seventy-Four Eligible. Last year out of an enrollment in the band of 45 members there were 23 who participated in the hike. This year's enrollment is 106 and the number of boys in sufficiently good standing at the present time to be able to go if they choose, is 74. So it is presumed that this year the little army will be near twice as large as it has

ever been, and that the old record will be maintained for a big time. This record as expressed year after year for the last seven seasons has been: "This is the best hike we have ever had."

## DOUBLE FORCE OF POLICE ON GUARD

Forty Arrests Made by Minions in Few Hours, Cleaning the Streets of Minor Offenders.

Double force of patrolmen was on duty in Rock Island today, under orders from Chief of Police Phil Miller. The minions were kept busy circulating through crowds attracted here by the Sells-Floto circus, and by 10 o'clock this morning 40 arrests had been made.

The patrol wagons were kept running and a squad of reserves was on hand at the station, bringing the offenders in in groups of threes and fours. In most cases the men were just plain drunks, a large number being from Iowa, arriving early and proceeding to take in a round of thirst parlors.

Detectives were on a lookout for dips. Any suspicious appearing strangers, unable to give a good account of himself, was picked up to be held until tomorrow.

Night officers were kept on duty during the morning. Day officers will be in service until the circus pulls out tonight.

## Eternal

Plans for the trip which delegates from Rock Island lodge No. 980, B. P. O. Elks, will take to the state convention to be held at Davenport next Tuesday, Wednesday and Thursday, have been completed. Returning the party will leave at 2:35 in the afternoon and arrive home at 10. Those to make the journey will include J. P. Murphy, C. N. Isaacson, Sam Ryerson, Fred Through, George Ackley, Tom Miffield, George Strohle.

Annual inspection of Rock Island commandery, No. 18, Knights Templar, will be conducted next Monday evening at Masonic temple by James McCredie, grand captain general. Banquet will be served at 6:30. The order of the temple will be conferred.

At the meeting of Ucal lodge, 608, I. O. O. F., committee to arrange joint memorial services with Rock Island lodge and the Rebekahs was appointed. The graves of the departed are annually covered with flowers and interesting exercises held at Chippianock cemetery.

We wish to state that while a few of our articles may show a slight advance in price, the majority of our lines were bought months ago at last year's prices. In regards to fast colors, every article sold here, leaves with the same guarantee as in former seasons.

## WITH CIRCUS ONE DAY; IS INJURED

George Higgins Joins Sells-Floto Shows at Clinton and Is Hurt in Rock Island 24 Hours Later.

The glare and thrill of the Sells-Floto circus appealed to George Higgins of Dubuque when the attraction was presented in Clinton yesterday. He joined the show. Today he is in St. Anthony's hospital seriously injured.

While a heavy pole and canvas wagon was being unloaded from the flat cars on First avenue at 7:30 this morning Higgins met with an accident which will lay him up for several weeks. He was guiding the tongue of the wagon as it was proceeding down the runway. His foot slipped and he fell into the path of the heavy truck. Before the workman could tighten his hold on the ropes and bring the heavy vehicle to a stop, it pinned Higgins to the steel runway. His shoulder bone was displaced and the flesh torn and lacerated. The police ambulance was summoned and Higgins was removed to the hospital where Dr. A. N. Mueller attended his injuries.

#### Assay Funeral Tomorrow.
